

Using the following verses, fill in the chart on the following pages. Look up each verse and determine the characteristics of the old and new natures. Determine which nature the verse is describing and turn the words into adjectives and record them under the proper heading on the next page. Try filling in the blank: I was _____ or I am now _____. For example, in Galatians 5:19 there is a list of the old nature such as immorality, impurity, etc. You would record them as adjectives: “I was immoral”; “I was impure.”
