

New Every Morning

It's the end of January 2021! How ya doin'? Are the pounds falling off? Are you working out regularly? Are you being intentional with your time and relationships? Are you the *New You*?

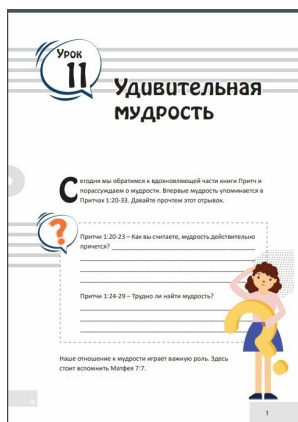

Or are you falling back into all the same habits and hang ups? If you are like the majority of us, you may have taken a few step forwards and a few steps backwards. Don't give up!

God tells us in 2 Cor. 5:17, "Therefore if anyone is in Christ, he is a new creation; the old things passed away; behold, new things have come."

We are also reminded in Lamentations that "The Lord's acts of mercy indeed do not end, For His compassions do not fail. They are new every morning; Great is His faithfulness."

So for each step back you take, stop, look forward and try again. Let the end of 2021 find you more mature and growing closer to God than you are here at the beginning of the new year.
